

Ruxxac Cart

The Ruxxac Cart is the ideal solution for transporting small to medium items in quantity. It can be unfolded and folded away again in under 20 seconds.

Featuring an exceptional build quality, a carrying capacity of up to 125kg on a flat surface and weighing only 6kg, this lightweight unit is both capable and fully collapsible. It will fit anywhere from a car boot to a closet with ease.

*Optional Stability Plate shown below.

Ruxxac Cart
