

Collapsible Portable Ramps

Designed with electric and manual wheelchairs in mind, the ServiceAssist Collapsible Portable Ramps make the task of loading and unloading so much easier.

Don't think it stops at wheelchairs though. These ramps will assist in getting any large/awkward items into the back of your vehicle.

Features:

- Fully welded heavy duty hinge
- Durability and even weight dispersement
- Collapsible nature makes for easy storage
- High strength mesh

Above: Portable Ramps unfold to a 2m ramp and offer maximum durability and strength.

Collapsible Portable Ramps
