

Rubbermaid® Step-On Containers

The public's growing concern about common health and safety conditions is driving a demand for waste containers that help promote sanitary, hygienic conditions.

The Rubbermaid® Pedal Rolltop Container completes the family of versatile Step-On Containers, providing a stylish, space-efficient solution to hygienic waste handling that is sure to please, and reassure a demanding public.

Features:

- Tight-fitting, overlapping lid to help contain odors
- Quiet heavy-duty pedal for sanitary hands-free use
- Tough, puncture resistant, all-plastic construction
- Rounded corners and smooth contours
- Various sizes available

An optional stainless steel dolly is also available for easier transportation.
