

Rubbermaid® Ladder Cart / Maintenance Trolley

The Ladder Cart / Maintenance Trolley provides greater mobility, enhanced access, safe ladder handling, and minimal storage requirements. It is very well suited as an electrician or builders trolley.

Features:

- Commercial-grade hybrid construction holds up to 220 kg.
- Compact footprint increases maneuverability, requires minimal storage space.
- Safely carries a 6' ladder without hitting doorways, walls or elevators.
- Tall profile improves access and offers a more comfortable work height.
- Fully adaptable to work site requirements, with long-item storage and tool holders.

Above: Shown demonstrating appropriate ladder storage and transportation.
