

Shower Chair

The Shower Chair has taken flexibility in design to a new level, by offering a three position, drop down armrest, a non-slip retracting footrest fitted with an anti-tilt bracket and comes with seamless, soft padded seat and backrest.

The Shower Chair is slimline design made of stainless steel and is fitted with water resistant precision bearing castors which offer excellent maneuverability.

Also available is the Extra Wide Shower Chair with seat widths from 500-600mm providing excellent support for those who need a little extra room.

Features:

- Seamless padded seat and backrest
- Bed pan holder
- Padded arm rest
- Locking castors
- Stainless steel construction
