

Specialty / Stock Trolleys

THE NUMURKAH

The Numurkah Trolley features a strong chrome wire construction, vertical push handles, basket sides and an easy to handle six wheel configuration.

MEALS-ON-WHEELS TROLLEY

Although originally designed for the Meals-On-Wheels service, this simple, lightweight trolley is perfect for transporting meals in quantity.

DIALYSIS TROLLEY

Utilising a six wheel design, this trolley offers both excellent mobility and steering. It is comprised of two chrome wire shelves, and a chrome wire basket up top.

All stock trolleys are easily modified to suit your own specific needs.
