

## Rubbermaid® Cleaning

### JANITOR CART

The Janitor Cart features the ability to carry more small tools and equipment with handles, allowing a lobby dust pan and angle broom to be held in downward positions for hygienic transport, two floor sign holders and even a special holder for keeping a mop handle secure.

With the optional storage cabinet (not shown) you can also keep costly and potentially toxic supplies under lock.

#### Features:

- Optional Locking Compartment
- Non-Marking Wheels
- Easy-to-Clean Surface
- Zippered Vinyl Bag

### WAVEBRAKE MOPPING TROLLEY

The WaveBrake® mop bucket and wringer system reduces splashing, which means a better safety, cleaner floors, and improved productivity.

**WAVE BRAKE™**

### ALL-IN-ONE MOP BUCKET

The All-In-One Mopping Combo features all you need for wet mopping and light cleaning. Includes full press-down wringer with an ergonomic handle height.
