

## Econolift Ultimate

The Econolift eliminates manual handling risk associated with the lifting of loans set delivery boxes in a hospital environment, which has been an industry wide occupational health and safety issue that has remained unsolved until now.

### Features:

- Flexibility to accommodate all types of loans delivery boxes.
- Height adjustable to enable comfortable working posture.
- Manoeuvrable in confined spaces.
- Loads multiple forms of storage from the floor.
- Inexpensive lifting solution.
- Dual purpose lifting platform.

### Accessories:

Nally Crate Attachment

Bulk Box Plate

The Econolift can be adapted to lift most objects.
